WKU's dodgeball program started in the fall of 2006, fathered by Josh Raymer. After a year of intramural style play, the WKU Dodgeball Club joined the NCDA in 2007 for a more competitive feel. After many roster changes throughout the years, the 2010/2011 season really proved to be WKU's year to shine.

Taking on the task of hosting the 2011 Nationals and going into the tournament ranked 3rd in the league, they proved to have the right tools for the job. With a very young roster this season, WKU is ready to show they still remain a southern powerhouse!

Founded in 2006, by Bryan Janick, the Saginaw Valley State Cardinals are the blue print of every beginning team in the NCDA. During the 2006-2007 season, the club only had the bare minimum amount of players, but they quickly formed a core group of players that would continue to play for the next 4 years.

In their first season, the Cardinals failed to win a game, going 0-6 in the regular season. That all changed when the Cardinals reached the 2007 National Tournament, where they won their first 3 games.

The following year, the Cardinals proved that even though they were new to the sport, they were a force to be reckoned with. They improved greatly due to great recruiting and increasing popularity of the sport on campus. The Cardinals again made it to the 2008 National Tournament, where they made it into the Final Four before losing to the eventual 2008 National Champions.

During the 2009 season, the Cardinals had the best record yet, posting a record number of wins, including defeating Ohio State for the first time in club history. They also made it to the National Championship game, finishing second.

In the 2010 season, Saginaw Valley has continued to prove their dominance in the NCDA regular season with more record breaking wins.

2011 was another great season for the Cardinals, which include the shut-out of their rivals Grand Valley State 3-0 for the first time in the clubs 5 year history. The club also won the Kentucky Classic in which they defeated Ohio State, Kentucky, and DePaul. The Cardinals would go on to lose to the eventual champs Central Michigan in the Final Four.

Saginaw's home games have also posted record numbers of fans, due to increasing popularity of the sport on campus. With many members of the team graduating this year, the Cardinals look to send their seniors off with a National Championship on their home court.
